

### WHY GL SOLUTIONS?

GL Solutions' main focus is to create cost-effective solutions, value added, and make the clients procedures faster and more effective. We have been able to save over 60% of processing costs by redirecting resources and their efforts to more effective and efficient processes.

Our CEO, Gregory Llinas, has over 30+ years of experience and as Chief Operating Officer, Gregory was responsible for increasing revenues from \$180M to \$280M within 14 months. Mr. Llinas insists that all work done for clients should accomplish their goals and go above and beyond their expectations.

That is why at GL Solutions, we believe all work should create a win-win situation. Being pro-active is the best solution which reduces costs in both, short and long term basis while creating a track record that is verifiable and sustainable for our clients. GL Solutions is also a SBA Certified 8(a) Minority and Disadvantage Business.
